Applicant has received a Notice to File Missing Parts in the above-referenced patent application dated 10/24/2000. The Notice to File Missing Part has a due date for response of December 24, 2000. However, prior to receiving the Notice to File Missing Parts, the Applicant filed a Rule 47 Affidavit because one of the inventors refuses to sign the required declaration. As instructed to the Applicant in a telephone conversation with the Petitions office on November 28, 2000, Applicant hereby includes the surcharge fee for filing the application without the Declaration.

Please charge Account No. 01-2745 the required surcharge set forth in Section 1.17(i) to process the previously filed Petition in this case. An early and favorable action is requested in order to prosecute this application.
